From national to local and back

Next steps

- **AFD's contribution to the JET-P**
- **Support to the PCC's work and the JTF implementation model**
- **Cost/benefit analysis for the repurposing of coal plants beyond Komati**
- **Study on local industrial opportunities for the value chains of PV and battery**

04.

From the Local to the National

A JUST LOCAL TRANSITION – Supporting municipal and provincial action

- Real impact and real delivery will be local and transversal
- AFD Local municipal support for the Just Transition - Since 2020
- To date: STLM - but increasingly: integration of the provincial sphere and district municipalities
 - Identifying priority investments and **catalytic actions** and the processes linked to implement them
 - Co-design of **pathways** to Local Economic Diversification – role of SMMEs

05.

From the Local to the National

A JUST LOCAL TRANSITION – Supporting municipal and provincial action

- **Listening** to the Local - Contextually relevant co-created support
- Integrating **new** practices into **existing** local systems
- Localised co-produced **incremental** initiatives
- Cross-sectoral **transversal** processes for implementation
- **Financial innovation** for accessible, sustainable alternative funding,
- **Ecosystems** of support
